- | People | Equipment | Environment |
|---|---|---|
| <ul style="list-style-type: none">• Being unfamiliar with the surrounding terrain• Being unfamiliar with equipment, skis and lifts• Insufficient supervision• Lack of clear instruction• Physical activity with no warm up• Over- exertion when tired and hungry | <ul style="list-style-type: none">• Inappropriate clothing and footwear• Unsuitable equipment• No sun protection• Faulty ski equipment | <ul style="list-style-type: none">• Snow conditions• |

RECKLESS SKIING AND IRRESPONSIBLE BEHAVIOUR WILL NOT BE TOLERATED

Risk Management Strategies

Normal Operation:

- | People | Equipment | Environment |
|---|--|--|
| <ul style="list-style-type: none">• Pre-trip information session on clothing, equipment, lifts and the behaviour code on the ski area.• Familiarise yourself with the new surroundings and obey all signs and instructions given to you by the staff.• Be aware of the Skiers Responsibility Code (information booklet)• If you leave the ski area boundaries you do so at your own risk | <ul style="list-style-type: none">• Pre-trip safety check on ski gear• If you are unfamiliar with your equipment and the sport, please take a lesson with our fully qualified instructors. Be safe not sorry! | <ul style="list-style-type: none">• Does not Alter• Be aware of ski area boundaries or closed areas. These are marked by the ski patrol• |

Emergency Operation:

Snowplanet is committed to the health and safety of all people on the ski area. We aim to protect every employee and customer from accidental injury or damage.

We have highly qualified and experienced Staff. Our staff is trained in all emergency procedures.

In case of an emergency, please **contact any of the Snowplanet Staff** immediately.

Snowplanet has a **Snow Safety Programme** run by our fully **qualified Staff**. We have medical facilities on site. In urgent serious accident cases, helicopters are available for evacuation to an appropriate Public Hospital.

The Snowplanet Team looks forward to welcoming you to our very special place. It is our goal to make it a very safe and enjoyable fun time for you. All our instructors are fully qualified.

TO WHOM IT MAY CONCERN

Each year, at least 10,000 school children ski and board. We look forward to introducing so many children to alpine sports and are aware of our responsibility to ensure all our customers have a safe experience. Snowplanet has maintained an excellent safety record. This is an issue we take seriously and therefore, we constantly monitor and update our safety policies and procedures.

We are aware that you may need an assessment of risk for outdoor educational trips. To make this easier for you, we have designed a Risk Analysis and Management Plan as a guideline for you.

Snowplanet is committed to providing quality service and we are happy to assist you in organising a safe trip. If we can be of further assistance, please do not hesitate to contact us by phoning
